Portfolio Solutions

Digital

Wired

Editorially-led 30 minute panel discussion, streamed live to the Fund Strategy audience.

Behind the Headlines

Head to head discussion between an editor and client or an independent expert on a key issue, crafted into a 5-7 video. Supported by editorial content digitally and in print.

Acumen

Subscription portal presented as a channel on the Fund Strategy website, allowing brands to upload and manage their content. Standalone printed, in-mag or digital formats.

Homepage takeover

A key area to maximise brand awareness; high impact, a hugely sought after inventory position.

Channel sponsor

Ensures exclusivity and allows you to dominate the industry sector linked to your brand.

Run of site

Build a credible and measureable campaign using our creative advertising positions. Standard and bespoke options available.

Video promotion

Provide us with video clip content and we will promote it via our website.

Editorial news emails

Reach the market quickly and effectively by sponsoring a daily news alert, sent to all signed up subscribers.

Solus emails

Our third party email opt-ins allows clients to send a tailored email to a highly receptive audience.

Mobile/Tablet sponsorship

Catch the mobile sponsorship wave and be the sole sponsor of this channel.

Entry point take over

A way to sponsor the most visited areas on the Fund Strategy website.

Video production

Brand awareness, thought leadership or opinion piece, we will produce the video on your behalf, making this a hassle-free, popular option.

Print

Display advertising

Solidify your brand identity by running a print campaign to this influential audience.

Cover wrap or belly bands

Go for maximum impact with these high impact advertising solutions.

Outside back cover

Enviably positioned on the back page, sure to get noticed by readers. Will help your brand stand out from the crowd.

Supplements

Bespoke supplement, based on a roundtable discussion, written and produced by Centaur editorial team. Standalone printed, in-mag or digital formats

Roundtables

A 60-90 minute event curated by an editor, involving 6-8 panellists, with the results published and promoted to our audience.

Front cover tip on

Your material attached to the front cover of our magazine, whether booklet, CD or business card.

Creative Solutions Group

A chance to work in an innovative way with Fund Strategy, to understand your audience better and inform your marketing strategy. The Creative Solutions Group was created as a response to the clients' need for integrated, stand-out campaign ideas and content strategy. What you can expect:

- The ability and time to properly understand your challenges and objectives
- Out-of-the-box approach to brainstorm and share ideas
- Insight and expertise brought in from across Centaur including editorial, research, digital and marketing teams.
- Creative solutions that are out of the norm, bringing you unique campaign angles.
- The ability to leverage Platform (Fund Strategy's sister brand) which is the reference point for asset managers, platforms and life companies on retail investment distribution. Its syndicated and bespoke research capabilities help to inform product, proposition and distribution.

Example outputs from the Group include debate series, supplements, online channels, content hubs, Twitter activities, roundtables, webinars, events, videos, podcasts, whitepapers.

Creative Solutions Group campaigns are 100% designed for your challenges.
